

# Be a Re3 Hero

Reduce, Reuse, Recycle

## Contest

Re3  
Program

**A student and their class could win a tour of the City of Lethbridge Waste and Recycling Centre, including bus ride, followed by a Pizza Party!**

**What you need to do to enter:**

- Get approval by your classroom teacher to enter (see form attached)
- A student or the class create a project about the Re3, Recycling and Organics Program at your school. Projects may include videos, artwork, posters, Minecraft, Lego, 3D
- Projects need to be completed and entry form submitted by November 15th, 2024 to [Christine.lee@lethsd.ab.ca](mailto:Christine.lee@lethsd.ab.ca). Projects will remain at the school for judging.
- Projects will be judged on the following success criteria:
  - Originality
  - Motivating message
  - Reflection on the impact of the program on our community
- Projects may be showcased by Lethbridge School Division and the City of Lethbridge in social media.
- The winning class will have the tour of the Waste and Recycling Centre and Pizza Party in Spring 2025.

*It only takes a minute to save our environment*
